4-YEAR-OLD KINDERGARTEN

Teacher: Mrs Bazuin

## Pease Post Office Field Trip

To end our unit on the Post Office and Pen Pals, on February 15, and 16 we will be having a mini field trip to the Pease Post Office. We will walk over to the post office so there is no need for chaperones. This will be a time for 4k students to learn what goes on at the Post Office.

Please fill out the permission slip so that your child can participate on this field trip. The permission slip will be sent in your child's eagle pack.

## WHAT WE WILL LEARN

1. In Bible we will continue to learn songs of praise, and learn different ways to worship God. Our stories will follow Jesus life of preaching and healing. We will hear many stories of healing and the many miracles that He performed throughout His life.
2. We will continue our literacy time with learning how to identify, write and hear the sounds of letters Q- T.
3. For our math time we will continue with learning numbers and identifying them with their touch points.
4. We will continue to learn about the different items to send in the mail by making letters/postcards/magazines/packages and sending them to our Pen Pals (5-8<sup>th</sup> graders at CCS.)
5. During our science time we will start a unit on the 5 Senses.
