

# Why should I consider Christian Education ?

“Train a child in the way he should go, and when he is old he will not depart from it.”

-Proverbs 22:6

## God's Word is Taught:

- Our students learn that God is LORD over EVERYTHING
- God is at the heart of the search for knowledge.
- Not only is the Bible taught for what it is-the inspired Word of God-but at CCS, it forms the foundation of all other subjects. All educational roads lead to God, in whom all knowledge has its origin. Our whole curriculum is framed through the lens of Scripture.

## Shared Values:

- Community Christian School shares your values and our teachers' love and fear the Lord.
- Teachers are among the most influential role models in students' lives. At Community Christian School, our teachers openly model the love of Jesus through their actions and words.
- Our teachers can pray openly with students and address matters of the heart.

## A Child of God:

- Your child will be seen and treated as a Child of God- an Image Bearer of Christ.
- At CCS, students are encouraged to allow God to mold their hearts to God's will to go out into the world and be the hands and feet of Jesus.
- All schools have a vision for the kind of person they want their students to become. CCS educates academically but also seeks to educate the emotions and influence the life choices of a child's life-we educate a child's heart.
- Community Christian School offers a much safer emotional and spiritual environment.

## Individual Attention:

- Your child will receive individual attention.
- CCS offers individualized attention due to smaller class size teacher-student ratio.
- This in turn can lead to a more positive learning environment with fewer frustrations for students as they mature and grow in their academic skills as their needs are met more quickly.
- Students and teachers can form a closer relationship as they pray and learn together in a closer/smaller environment. We know our students well.
